Hydrogen Water Care *H₂*

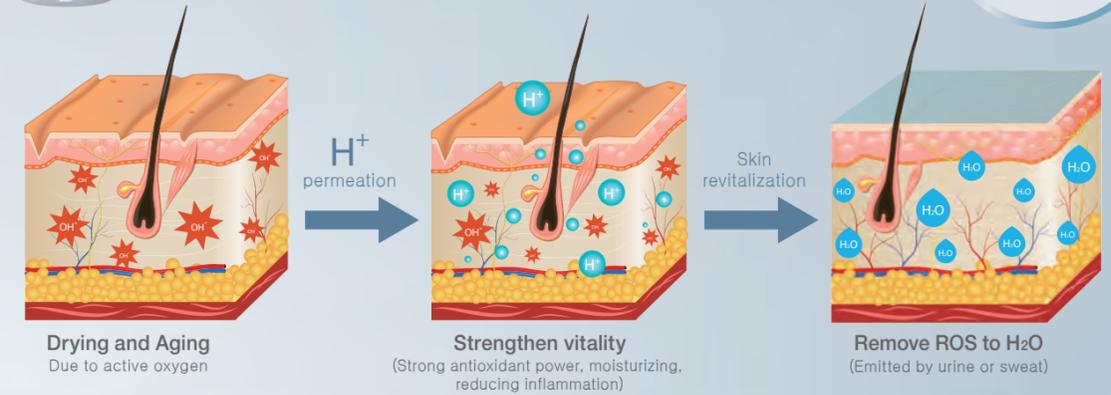

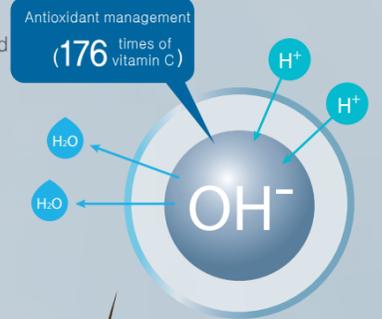

Hydra Touch H2 uses highly-concentrated hydrogen water to release the active oxygen of the skin and propose measures against skin aging.

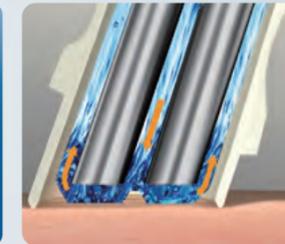

Hydra touch H₂'s Premium H₂ Module

The hydrogen peel uses a radial tip to penetrate the directly into the skin lesion, thereby eliminating active oxygen and reducing damaged cells by active oxygen to restore healthy cells.

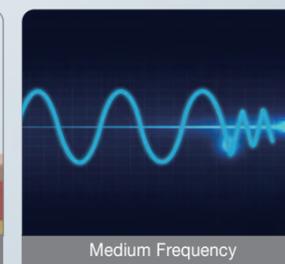

Hydra touch H₂'s Hypoallergenic peeling system

As the peeling solution comes out from the center of the tip, it rotates with a strong radial principle, and by sucking waste materials, it is possible to remove wastes from the pores without scratching or scratching the skin.

Cleansing & Exfoliation by vacuum	Atopy and Inflammation improvement	Effective solution penetration
-----------------------------------	------------------------------------	--------------------------------

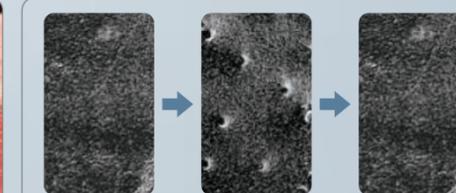

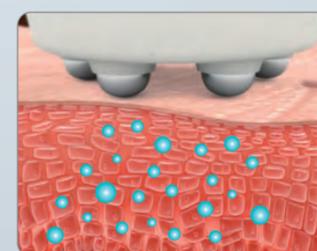

Double Lifting

Stimulates muscle, contacts and relax repeatedly. It also calms the nerves and boosts blood circulation.

1 KHz Medium Frequency Current	360° Rotating Compact Rolling Balls	Enhance skin elasticity and lifting effect
Muscle massage through deep stimulation	Skin regeneration, muscle relaxation, excretion of waste products, promotion of lymphatic circulation	Promotes nerve and skin area circulation

Electroporation

Electron microscope photograph

- Transmitting solutions by opening temporary holes in the membranes and tissues of the skin
- Direct penetration of multiple types of solutions within the cell without altering or damaging the biological structure and function of the cell

Effective solution penetration	Skin moisturizing
--------------------------------	-------------------

Hydra touch H₂'s Solutions

<p>S1</p> <p>AHA (Alpha Hydroxyl Acid)</p> <p>Dedicated solution for skin peeling and brightening without irritation. Eliminate keratinous skin and eliminate waste products of skin.</p>	<p>S2</p> <p>BHA (Beta Hydroxyl Acid)</p> <p>Dedicated solution for deep peeling in the pores and care for blackheads and whiteheads, concentrated management of oil and blackheads and whiteheads in the T-zone area.</p>	<p>S3</p> <p>Hydration (Moisturizing component)</p> <p>Dedicated solution to quickly calm sensitive skin after peeling, promotes hydration, immediately, skin soothing & moisturizing.</p>
